MagnaSkin® G3 PAINTED STEEL MARKERBOARD SURFACE

Painted Steel writing surface
baked onto a 32 gauge steel surface.
Magnetic, scratch-resistant
surface built to last.
Glue-on installation.

Magnaskin G3 painted steel writing surface is the most popular for the budget conscious buyer, they are also our most affordable glue-on chalkboard to markerboard resurfacing solution. Bright, vibrant, and durable marker surface resists scratches and shadowing to give you years of use. Also accepts magnetic teaching aids. Choose from in-stock sizes, or request custom cut sizes to fit over your existing chalkboard at no extra cost. Magnaskin G3 ships to you in a roll for added savings, requires a simple glue-on installation using a readily available plastic laminate adhesive and a phenolic roller. 10 year warranty.
