

# Q-Ball Renewal Glide Installation Instructions

**1**

Measure your tubing size.

**2**

Snap the non-reversible insert around existing chair or table glide.

**3**

Push the Q-Ball Renewal Glide completely over the insert.

**Non-Reversible Nylon Insert**

Insert fits around your existing glide, so no glide removal is needed.

**Low-Friction Base**

Base provides for a scratch-free, surface-to-floor contact.

**Choose Felt or PVC Surface**

Rubber-like PVC surface provides limited slide. Felt surface slides easy. Both surfaces have a Limited Lifetime Warranty.
