

Model 938T

Installation Instructions

ASSEMBLY:

- Step 1.** Slide upright frame end over the wheel base upright for both the left and right side.
- Step 2.** Working one side at a time, attach crossbar at the **BOTTOM** by inserting through the pre-drilled holes and secure with nut. Do not tighten nuts completely. Note: Nuts will be on the outside of frame. Repeat on other side.
- Step 3.** After all the crossbars and support brackets are attached tighten all nuts.
- Step 4.** Attach double sided extension arm to crossbar. Line up the double sided extension arm with pre-drilled holes on the crossbar located at the side. Slide bolt through the pre-drilled hole and tighten nut. Repeat step for all double sided crossbars.

Model 938T - Capacity: Up to 38 folding chairs and 8 folding tables.
