

1

Please show us on the overhead layout below how your current toilet partitions are configured.
 Please fill in measurements and show us any changes that you would like to make.

2

The diagram shows a top-down view of a toilet partition unit. A horizontal blue double-headed arrow at the top is labeled **TOTAL WIDTH** with a rectangular input box to its right. A vertical blue double-headed arrow on the left is labeled **DEPTH** with a rectangular input box to its right. The partition unit itself is a rectangle divided into two stalls. Each stall has a label **WIDTH** with a rectangular input box below it. At the bottom of each stall, there is a diagonal line representing a door swing. To the right of the partition unit, there is a red text note:
 *Want to change the way the door swings?
 Please draw the doors in by hand

3

Choose Material:
